HAPPY CHRISTMAS!

This year we celebrated our 25th Year and we would like to say a huge thank you to all our members for their fabulous support - it is you who make the Pavilion the very special place that we all enjoy.

Those who attended our Big Birthday Party will know what a tremendous event it was. Members and staff stepped out in superb style and the Staff Cabaret was unforgettable.

As a mark of our appreciation in this landmark year, especially for bearing with us through the upheaval caused by the new Tennis and Padel construction as well as the building works next door we are delighted to announce:

- We will be holding our Monthly and Annual Membership rates for the whole of 2019.
- In January we will also be issuing to all Full Members a special book of tokens and offers, for use in 2019.

On behalf of the whole Pavilion Team, I would like to take this opportunity to wish all our Members a very Merry Christmas and a Happy New Year.

Christine
Club Manager

TENNIS AND PADEL NEWS

TENNIS NEWS

What a year for Tennis! We now have six top quality all weather clay courts - five of which are floodlit. This investment of over £200,000 means that we can take our Tennis program to new levels and really open up the evening program throughout the year. We are delighted to welcome Russell and Isabel to the Coaching team - look out for an action packed program of coaching, social play, tournaments and league play in 2019.

Hats off and thank you to our Club Teams who represent the Pavilion in the Surrey Leagues, especially Ladies 1 and 2 teams who topped their league and were thereby promoted!

As an LTA registered Club we are eligible for Wimbledon Ballot Tickets. If you want to be in the draw, It's simple and it's free. Just go to the LTA website and follow instructions to link to the Pavilion Club (make sure it's the one in KT8). Please note, the more people who join British Tennis and opt in the more tickets we are allocated.

PADEL NEWS

As part of our development of the rackets side of the Club we are also one of the first Clubs to introduce Padel Tennis in England. This is a fast growing and exciting new sport that appeals to all ages and all levels.

We would like everyone to have the chance to try Padel and so for the first three months of 2019, **Court fees will be half price** (£2 per person per 90 minutes) and equipment hire will be complimentary.

Edouard will also be offering 30 minute **complimentary taster sessions** in January. For details please check the new Padel Notice Board located adjacent to the Café Bar terrace doors.

Look out for our Spring Padel Event featuring a top class exhibition match.

Details will be posted on the new Padel Notice Board

GYM NEWS

By Popular demand Kettle Bells are here and proving very popular. Although as with many fitness trends this equipment harks back to the origins of gymnasiums, Kettle Bells are a highly effective piece of equipment. However it is also essential that you know the correct techniques. Hence the Gym team are offering free introductory sessions to make sure you are using them safely and effectively. Ask any of the Fitness Team or book at Reception.

Early in the New Year, we will also be replacing two of the older treadmills in the Gym with two new 'Skillmills'. Designed for running or walking on a self-powered curved bed, it's as close as you can get to the actual experience of exercising outdoors – indoors! It also enables strength training such as sledge pushes or pulls. Once again the Gym Team will be ready and willing to coach you to get the most from this exciting new addition to the Gym floor.

There is still time to take advantage of our 6 month Boditrax subscription offer of just £25. Offer ends 31st December. Find out your 'real' age and measure your progress against accurate stats. It's a great self-motivator.

STUDIO NEWS

As part of your membership, we offer an unbelievable 2,000 spaces every week in the three studios with 90 classes of all different genres - all led by qualified instructors.

Alongside this core program we offer master classes, workshops and guest classes. At the moment these include:

- Taekwon do
- Pilates
- Fencing
- Belly Dancing
- Mini Molesey Theatre
- Baby Ballet
- Children's Athletics

So if you are looking for inspiration in 2019 the studio has it in abundance.

Currently we are running our Christmas timetable which is available online or at Reception.

A small plea to our Studio users.

Each week over 20% of places are 'lost' due to non-cancellation of bookings. If you make a booking and can't make the class please let us know ASAP and then we can offer that place to another member.

Thank you.

COURTSIDE CAFÉ

Chloe, Sharon and the Café Team are working hard to take their space to another level. The menu, décor and the events program are all being given a makeover.

The Café has always been the social hub of the Club and whether it's day to day food and drink, Club Social events or even a Private Party (large, small, adults and children) the Hospitality Team is there to provide the Pavilion magic.

If you haven't tried the Courtside Café yet, please do join us in 2019 you are sure of a warm welcome.
