Pavilion Club

Health • Tennis • Leisure

All our classes are safe, effective and FUN!

To attend the Pilates classes you must first complete an introductory workshop which runs every month, details of our workshops are available from reception.

Everyone is encouraged to work at their own pace with alternatives offered for each exercise.

Make sure that you drink lots of water whilst working out, this will prevent dehydration and allow you to keep going!

Thank you

Tracy

BOOKING

We recommend that you get into the habit of booking your classes (up to 6 days in advance) as numbers are limited.

Bookings for classes will be held up until one minute (5 minutes for aqua) prior to the start time after which they will be allocated to the reserve list. Members missing the start of the class will be refused entry.

As a courtesy to other members on the reserve list please remember to cancel your place if you are unable to attend, either at reception or by calling the club.

N.B. Fair play policy. If any one type of class becomes oversubscribed we reserve the right to restrict the number of advanced bookings a member can make.
